## NEW THIS SEASON

We are introducing more ways to become a season subscriber! The new subscription packages offer greater flexibility and fantastic savings for everyone while retaining seating options from previous years. New and renewing subscribers get priority seating for concerts at St. James. Subscribers from last year can retain their same seats if they renew by September 1, 2024. Subscriptions are available for purchase after this date but without priority seating.

## NEW 2024-2025 SUBSCRIPTION PACKAGES

Choose between four subscription packages: Full, Main, Solo, and Build Your Own (BYO). For concerts at St. James by-the-Sea, please refer to the venue map to see the seating tiers.

**FULL:** Includes all performances for Main and Solo Series (9 concerts) | 20% off

**MAIN:** Main Series performances only (6 concerts) | 15% off

**SOLO:** Solo Series performances only (3 concerts) | 15% off

**BUILD YOUR OWN (BYO):** Any combination of 5 performances or more | 10% off

Please note: The Special Event with **Vox Luminis** is not part of any subscription package and must be purchased separately. However, it may be included with your subscription order form.

## HOW TO ORDER

1. Using the attached form, include the number of subscriptions you wish to purchase and the total dollar amount. Full, Main, and BYO packages have three seating tiers (refer to the seating chart for St. James). Solo Series concerts have open seating with reserved seats for donors at the Sponsor level and above.
2. For the Build Your Own (BYO) package, first determine which combination of concerts you wish to purchase that add up to 5 concerts or more, and which seating tier for concerts at St. James. Then, select the specific concerts you wish to attend in the section below the Donation box.
3. Please indicate if you would like to add the Special Event performance (Vox Luminis) to your subscription order. This event has open seating with reserved seats for donors at the Patron level and above.
4. If you wish to include a donation, please add the dollar amount to the total column.
5. Write the final dollar amount that includes your subscription package cost, Special Event tickets (if any), donation (if any), and \$5 processing fee.
6. If you are purchasing the BYO package, be sure to select the concerts you wish to attend. This section is only for BYO subscribers.
7. Indicate your preferences for seating and donation acknowledgement listing at the bottom of the form.

## **DONOR LEVELS AND BENEFITS**

When you contribute to the San Diego Early Music Society, you sustain a small organization whose mission is to foster an appreciation for music and musical practices from previous centuries that continue to resonate with audiences today. Early music is characterized by a rich musical language that emphasizes creativity, experimentation, flexibility, and depth of expression. This is why young musicians continue to be drawn to this repertoire, connecting us in exciting ways to centuries of tradition. The SDEMS is working to make San Diego one of the top destinations for early music in the country. Please help us to continue bringing the best early music performers in the world today to our beautiful city! With rising production costs, your financial gifts are now more essential than ever. Since we are a 501(c)(3) nonprofit organization, your donation may be tax-deductible to the extent allowed by the law. It also brings you the benefits shown below:
